RESPONSE

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

This filing is in response to the Office Action mailed March 24, 2003. As this Response is being filed with a Request for Continued Examination and a Petition for Extension of Time for one month, it is believed that no fees, other than those associated with filing the Request for Continued Examination and the one-month extension fee, are currently due. However, should the Commissioner determine otherwise, he is authorized to charge any fees or credit any overpayment to Deposit Account No. 50-2319 (Our Order No. A-68556/RFT/ SPL/469322-00004). Reconsideration of the claims in light of the remarks that follow is respectfully requested.

REMARKS

Claims 1-16 are pending in the instant application. Claims 1-16 stand rejected under 35 U.S.C. § 103(a) as being unpatentable over Guo *et al.*, (Nature Biotechnology, 1997 (15) 331-335) in view of Southern *et al.* (U.S. Patent No. 6,054,270).
